Sheringham Distillery Continues Winning Streak at 2024 World Drinks Awards

LANGFORD, B.C. (May 23, 2024) – Sheringham Distillery, globally renowned for earning the [World's Best Contemporary Gin](#) title at the 2019 [World Drinks Awards](#), proudly announces the addition of three new awards from the 2024 World Drinks Awards to their collection. The distillery has been named the [Country Winner for Canada](#) and awarded a [Gold](#) at the **2024 World Liqueur Awards** for their [Fresh Lemon Liqueur](#). Additionally, Sheringham's [Raincoast Gin](#) received a [Silver](#) in the Contemporary Style category at the **2024 World Gin Awards**.

"We are incredibly proud of the recognition our spirits have received at the 2024 World Drinks Awards," said [Jason Maclsaac](#), Co-founder and Master Distiller at Sheringham Distillery. "These awards are a testament to our team's hard work and passion for creating world-class spirits that reflect the unique character of Vancouver Island's west coast."

This recognition highlights the distillery's ongoing commitment to crafting high-quality, [innovative spirits](#) that resonate with both consumers and experts worldwide.

Sheringham is known for its gin's impeccable botanical balance and the distillery's dedication to excellence in every bottle, which is employed by Jason's unique chef-approach to distillation, having cooked professionally for over two decades.

Sheringham Distillery first captured global attention in 2019 when its Seaside Gin was named the World's Best Contemporary Gin at the World Gin Awards in London, UK. This milestone propelled the distillery into international markets, expanding its reach across Canada, the United States, Europe, and Asia.

With a mission to produce the world's most approachable gin, Sheringham prioritizes sustainability and quality ingredients, employing a chef's approach to distillation. The distillery's spirits are celebrated for their versatility and complex, yet balanced botanical profiles, inspired by their rugged coastal home.
